THE JUNIOR FARMER

In the Junior Farmer of today lies the hope of an enlightened farming community tomorrow!

A re-organization meeting of the Saanich Jersey Calf Club was held at the home of Mr. Straight on Saturday evening, November 25th, commencing at 8 o'clock. The president, Douglas Lawson, was in the chair.

It was decided that the 1933 Calf Club would be re-organized as the "1934 Jersey Heifer Club." Mr. E. M. Straight, superintendent of the Experimental Station, was elected club leader; Douglas Lawson, president; Iain Wilson, secretary.

Regular meetings of the club will be held on the first Friday of each month at 8 p.m., commencing January, 1934, the meeting place being the office of the Dominion Experimental Station.

Arrangements were made for the inspection of all calf club heifers by

HELD OVER

Owing to lack of space in this issue we are holding over a number of articles until next issue and have also been obliged to omit a number of other regular features and items.

Dr. Gunn, on Saturday, December 9th, leaving Mr. Raper's farm at 11 a.m., to which all members and their parents were invited.

The recommendation of the Saanich Jersey Cattle Club was adopted, to the effect that the 1934 club would include 1933 club members with the addition of new applications received to date, namely, George Oakes, Pat Lock and Mary Butler, the new calves to be born between first of August, 1932, and first of January, 1933. Former members cannot change their calves and no new members would be accepted after the date of this meeting.

An interesting address was given on the "Prevention of Disease," at the conclusion of which many questions were asked and answered.

The January meeting will be featured with a short address by Mr. H. E. Burbidge entitled "Raising A Jersey Calf."

 A NAME WE ARE PROUD TO PROTECT
 More people ride on Good-year tires than on any other kind. 49 out of every 100 Canadian motorists who answered a questionnaire declared for Good-year. More than twice as many as for any other tire!
 That's a record to live up to! We're trying to do this by making Goodyear service as good as the tires.
